Talent description \_\_\_\_\_

If you are singing to canned music – do you have your own music or do we need to ask the DJ for the music?  
\_\_\_\_\_

We ask that if you are singing to a CD or tape that the pee wee group will be the only group allowed having the words behind them for support. All other talent is asked to know their material (or have it written down) so we can hear you sing and not the recording artist sing.

Talent will be judged on

- 1) Originality
- 2) Appropriateness of entertainment
- 3) Preparedness
- 4) Showmanship

The talent show will begin at 1:00pm at the Fairgrounds. We appreciate early entries. You may either call or mail your entries to:
